DREAM
Fund for Teachers invites you to design a summer learning experience that will transform your classroom. Craft an odyssey that brings out the scholar, explorer, scientist or artist in you - and then, your students.

Ask yourself:
- If I could gain one quality or ability that would help my teaching, what would it be?
- What could I do that would change my students' learning experience?
- Where would I study?
- What could I bring back to my classroom?

DESIGN
This sounds too good to be true. How can I design my own summer learning experience?

- Reflect on your teaching: What are your strengths and challenges?
- Think about your students and their needs: What would spark their learning?
- Create your guiding questions: What do you want to learn? What passion inspires you? What need challenges you?
- Think outside the box: How and where is the best place to learn it?
- Research your options: Find experts; talk to your students and their parents; explore destinations.
- Collaborate with peers, school leaders, local organizations, and international partners to extend the impact of your learning.
- Make connections: How will you bring your learning back to your classroom, school and community?

APPLY
The application is completed online in three parts: Coversheet, proposal, and itemized budget.

Dates to Remember
- Application Opens: October 1, 2019
- Application Deadline: January 30, 2020
- Award Notifications: April 2, 2020

ELIGIBILITY
You are eligible if:
- You are a full-time preK-12th grade teacher who spends at least 50% of your time directly providing instruction to students;
- You are returning to the classroom in the consecutive school year; and
- You have at least three years’ experience as a preK-12th grade teacher at the end of the school year.

Review additional eligibility and project guidelines at fundforteachers.org.
