

GO BEYOND

Fund for Teachers invites you to design a summer learning experience that will transform your classroom. Craft an odyssey that brings out the scholar, explorer, scientist or artist in you – and then, your students.

Need help getting started? Visit our Online Learning Center or attend an information session. Find both on our website.

Take your teaching **beyond** status quo, defined standards and classroom walls.

Challenge yourself **beyond** personal and professional mindsets.

Extend students' learning **beyond** what textbooks and the Internet provide.
